

Help Define the Future of Lehi City

March 2011

Lehi City is looking toward the future and we are asking for your help. In 2007 Lehi adopted the "Downtown Revitalization Plan" which establishes a vision that will help guide the future development and growth of the historic downtown and State Street areas. In 2009, an interactive "Parks and Trails Master Plan" was adopted that illustrates potential future development of our open space and serves as a guide to citizens in locating city parks with their respective facilities. Although the current economy has slowed the development of these plans, they still define the future of portions of our community.

It is time now that we begin work on a new and visionary "General Plan" that will better define the future land uses for all remaining areas of the city. This new plan is very important to the city because it will define opportunities and the quality of life for ourselves, our children and all future citizens. It is a significant process and input from the community is crucial in making the best decisions. It is important enough to the city that we have hired a professional planning team to help with the process and formulate our new plan.

Included with this month's ledger is our initial survey that will help planners identify elements that are most important to our citizens. Your responses will be used in the creation of maps that define future property uses, enhanced recreational and commerce opportunities, identify development densities and determine desired retail types. You will help us understand what amenities are important to you.

You have two options to respond. *You may fill out the included survey and return it with your utility payment or you may log on to the Lehi City web site www.lehi-ut.gov and click on the "Plan Lehi" link that will take you to an electronic version of our survey.* Whichever method you choose, please respond by one way or the other but not both. Please respond only once to help assure our information is properly represented.

After the survey responses are compiled and the preliminary information is processed we will be asking the community to participate in a series of public meetings that will serve to refine the proposed new general plan. This is truly an opportunity for you to help define the future of Lehi City.

I want to thank you in advance for your help in this process and I am looking forward to working with you in the near future.

Mark I. Johnson, Lehi City Council

Seedling Trees and Shrubs Available

Seedling trees and shrubs adapted to our area are on sale for \$1.50–\$3.50 per seedling, sold in bundles of 5 or 10, depending on the specie. There are 12 tree species and 6 shrub species to choose from.

They must be pre-ordered and pre-paid and are available on a first come first served basis. Order forms can be accessed

on the web at uacd.org. Be sure to click the icon that says "Timp-Nebo/Alpine

Seedling Tree sale", or call 801-377-5580,x121. The seedlings will be available on April 15-16, 2011 and can be picked up at two distribution points in Utah County. This sale is sponsored by the Timp-Nebo/Alpine Conservation Districts, non-profit organization for the conservation of our natural resources.

Lehi High School's PTA is collecting LHS memorabilia to celebrate 100+ years of LHS history. If you are willing to donate ANYTHING for display, contact: Holly Broadhead, 801-768-1581.

Lehi Arts

Visit www.lehicityarts.org for the 2011 Theatre Lineup, Lehi Chorale, Family Fun Concerts, Children's Musical Theatre Productions and more!

Residential Burn Permits

The annual burn season for Lehi City opens on April 1, 2011 and ends on April 30, 2011. Burn permits can be picked up at City Hall prior to the opening of burn season but burning cannot start prior to April 1, 2011. The fee for each burn permit is \$10 payable at City Hall. **Agricultural burn permits** can be picked up from the Fire Marshal at Lehi Fire Station 81 (176 North Center). Agricultural permits can only be issued to Lehi City residents with property that is zoned agricultural and is at least 1 (one) acre. Residents that have 1 (one) acre lots that are not zoned as agricultural can obtain a 30 day residential permit. The fee for agricultural burn permits is \$10. All fires must be cold to touch at dark.

FITNESS ETIQUETTE 101

Our indoor track is the most amazing track in this area. No wonder it is always being utilized by every age group. While the rules are posted, there are a few points of etiquette that need reminding. When walking on the track, with or without a stroller, please use the two inside lanes and keep the third and fourth lanes available for runners. Passing is done on your left. Please be sure to look over your shoulder when passing, as not to collide with others running in the other lane. Before entering the track, coming to a dead stop, or exiting on the track, be sure that no one is going to run into you. This will help keep the flow of traffic running smoothly and keep the track safe for everyone to enjoy.

AQUATIC CENTER
